Dear Sir:

25X1A9a This letter is in response to your correspondence with this office dated 22 May 1956, in which you request our concurrence in the release of [REDACTED] and our recognition of statutory reemployment rights in her case.

25X1A9a In accordance with the personnel policies of CIA, we cannot consent to the release of [REDACTED] for assignment from this Agency when a resultant transfer to your or another Governmental Agency might bestow upon her a vested right of reinstatement with CIA.

25X1A9a Apart from this overriding consideration, we interpose no objection to [REDACTED] leaving this Agency for employment with your organization on or about 7 June 1956. [REDACTED] is 25X1A9a terminating her employment with this Agency on her own accord, in order to seek employment in a desired geographical area. In the event she were to reapply for employment with this Agency at some future date, we would have no reservation in giving her application careful consideration.

Very truly yours,

**SIGNED**

Harrison G. Reynolds  
Director of Personnel
